My dear Sir,

It has been brought to His Highness's notice that there is a temple of Sri Rishya Sringeswara Swami in Kigga village, about 5 miles from Srigeri and that the temple contains only the vigraha of the God and not that of the Ammanavaru also. It is understood that the absence of the Ammanavaru vigraha is considered to be very unpropitious and a request has been made that early steps should be taken to remedy this defect.

I am desired to request you to be good enough to issue necessary instructions to have an Ammanavaru vigraha prepared and consecrated in the temple at an early date. The temple, it appears, has sufficient funds at its credit for meeting the cost.

Yours Sincerely

Final Note by the Second Member of Council.

Subject:—

Preparation and consecration of an Ammanavaru Vigraha in the Sri Rishya Sringeswaraswami temple at Kigga, Koppa taluk.

P.

On receipt of Mr. S.P. Rajagopalachari's D.O.[x] letter No. 1126 dated 26th June 1924 on the subject, the Muzrai Commissioner was asked to instruct the Deputy Commissioner, Kadur, to take immediate action in the matter and report the result. From the papers received with the Muzrai Commissioner's report[x] dated 29th August 1924 it is seen that the question of consecrating an Ammanavaru Vigraha in the temple has been engaging the attention of the local authorities since 1921, and that the Agent of the Sringeri Mutt had promised in 1922 to get a Vigraha made and supplied free to the temple, but that as he has not supplied the Vigraha, its consecration has been delayed.

N

The Muzrai Commissioner has now been asked to consult the Jahgir authorities as to when the Vigraha will be got ready and supplied by them and in case of its being likely to be delayed, to arrange for getting the Vigraha prepared at the cost of the temple and consecrated in the temple before the end of March next, a small building at a moderate cost being constructed for the Ammanavaru Vigraha out of the temple funds as proposed by him.

The papers with the order issued to the Muzrai Commissioner are submitted for the gracious perusal of His Highness.

As reported by the Amildar, the --- question of the installation of the Ammanavaru Vigraha in the temple has been under consideration by the local authorities for some time past, and that no progress has been made in that direction, owing to certain practical difficulties.

There is no Vigraha available and no building for installing it. The main temple itself requires extensive repairs. On this last point the Executive Engineer has been consulted, and action is being taken to have a consolidated estimate prepared therefor.

I have programmed a joint inspection of the Kigga temple, with the Executive Engineer, Kadur Division, as soon as possible, i.e., -- during the month of September next, when the whole question of repairs and extensions will be investigated by me and definite proposals submitted.

With reference to your letter No.4/M.F.3-24-2 dated 3rd July -- 1924 regarding the consecration of an Ammanavaru vigraha in the Kigga temple, I have the honor to submit herewith copies of letters Nos.5/24-25 dated 20th and 24th August 1924, together with their enclosures from the Deputy Commissioner, Kadur District, reporting the circumstances under which a vigraha had not been installed, adding that the omission was by no means intentional or deliberate or based on "certain religious grounds."

The Deputy Commissioner further states that on receipt of Government orders the Administrator of the Sringeri Jangir would take up the question with the Swamigalu and proceed with the installation of the -- vigraha as already proposed by the Dharmadarsis in April 1922.

2. In this connection, I beg to state that this question was engaging the attention of the Local officers and that considerable progress had also been made. If approved, the Deputy Commissioner, will be requested to ascertain definitely from the mathadhipatis as to when the --- -- Vigraha will be ready for delivery to the temple.

As the question of putting up a small building for consecrating the new vigraha need not necessarily wait the general question of temple repairs which requires much careful consideration and provision of --- funds, the Executive Engineer will be requested to get up a modest -- estimate for the Ammanavaru shrine on the spot specified in his Statement

Sastry's reply of 29th October 1922 and agreed to by other Dharm

The 109 gold coins (Lakshmikasu) contributed by His Holiness the Swamigalu when he visited the temple on 20th January 1924 for the --- construction of the Ammanavaru shrine will, if approved, be sold and - the proceeds deposited in the Savings Bank under the authority of ---- Government Order No.1657-36/M.F.235-11-2 dated 8th February 1912.

3. I am of opinion that if all these preliminary questions are -- settled and the building is also got ready, the consecration ceremonies may be performed immediately after the close of the current monsoon. I therefore solicit early orders of Government in the matter.

Letter No.H.C.5/24-25 dated 20/23rd August 1924 from the Deputy Commissioner, Kadur District to the Muzrai Commissioner in Mysore.

"In continuation of my letter No.H.C.5/24-25 dated 31st July in the matter of consecration of an Ammanavaru Vigraha in the Sri Rishyasringeswaraswami temple at Kigga, I have the honor to submit the following report on the point called for in Revenue Secretary's letter No.70 dated 14th July 1924. In the course of our visit of the inspection of the affected parts, the Sub Division Officer and myself visited Sringeri this day, and we made detailed enquiry as to why the Ammanavaru Vigraha was not installed in the temple. We were told that as the Rishyasringeswara idol itself contained a small Vigraha of the Santha Devi, and as there was a separate Durgamba idol as well in the temple the absence of a separate Santhammanavaru Vigraha was not felt, and that the omission to set up the Ammanavaru Vigraha was by no means intentional or deliberate as based on"certain religious grounds."

It was represented to us that in Mallikarjuna Swami temple in the Matt in Sringeri Town, there was no Ammanavaru Vigraha for several years, and when the portion of the town in front of the said temple was declining people considered it propitious to install a Bhavani idol there, with the result that the God's wrath was appeased and the town began to thrive. As Kigga village is declining, the people of the place have, on the said analogy, been agitating for the consecration of an Ammanavaru Vigraha in that temple, since December 1921, and by a resolution passed by the Dharmadarsis of that temple it was resolved that it was absolutely necessary to instal an Ammanavaru Vigraha at Kigga temple and that the Amildar be approached to take needful action in the matter [Vide Resolution No.5 (Flag A) in the enclosed file.] Mr. Sreekanta Sastry Agent of the Sringeri Matt then promised that he would endeavour to get a Vigraha made at the expense of the Jahagir funds and supply the same free of cost to the temple (vide Flag B.). I discussed this question with the Administrator of the Sringeri Jahagir Mr. B. Ramaswamiaya and he promised to take it up with the Swamigalu on receipt

of

P.T.O.

of orders from Government to proceed with the installat Ammanavaru Vigraha as already proposed by the Dharmadarsis in 1922. The vernacular records connected with the case are put-u reference."

Correspondence ending with letter No. C. 16 of 1924-25 dated the 29th August 1924 from the Muzrai Commissioner in Mysore reporting the circumstances under which an ammanavaru vigraha had not been installed in the Sri Rishya Sringeswaraswami temple at Kigga in the Koppa Taluk and requesting early orders of Government for getting up a modest estimate for the Ammanavaru shrine

Order No. 588-91 Mur 2-24-6 dated 24.10.24 -- Ene one file

As it was brought to the notice of Government that the temple of Sri Rishya Sringeswaraswami temple at Kigga was without an Ammanavaru vigraha, the Muzrai Commissioner was requested and to instruct the Deputy Commissioner to take immediate action for the preparation of an Ammanavaru Vigraha and its consecration in the temple. The report received from the Muzrai Commissioner goes to show that the matter had been engaging the attention of the local Officers since 1921, that the Agent of the Sringeri Matt had promised in 1923 to get a Vigraha made out of the Jaghir funds and supply the same free of cost to the temple, and that the present Administrator of the Jahgir [Mr. Ramaswamayya] has now undertaken to get up

the matter on receipt of Government order to proceed with the installation of the Vigraha. In the circumstances, the Muzrai Commissioner requests the approval of Govt. to the construction of an Ammanavaru shrine at a moderate cost on the spot specified in Mr. Srikanta Sastri's letter of 29th Oct. 1922, and agreed to by the other Dharmadarsis and also to the sale of the 109 gold coins (Lakshmi Kasu) presented by His Holiness the Sri Sringeriswamigalu to the temple for the construction of the Ammanavaru shrine.

2. Government approve of the Muzrai Commissioner's proposal and direct that arrangements be made as proposed by the Muzrai Commissioner for constructing a small building at a moderate cost, as early as possible, for placing the Ammanavaru Vigraha and consecrating it, the cost being met from the funds at the credit of the institution. It may be ascertained from the Matt authorities as to when the vigraha promised by them will be got ready for consecration in the temple and whether the gold coins presented by His Holiness in January 1924 may be sold and the sale proceeds utilized for the consecration expenses. In case the presentation of the Ammaravaru vigraha by the Matt authorities is likely to be unduly delayed, separate action should be taken to obtain a vigraha from elsewhere and consecrate it in the temple.

3. In any case the construction of the building for the Ammanavaru vigraha and the consecration of the vigraha should be arranged to be completed before the end of March next and
